## Sunday, July 15

### Welcome Delegates

#### Welcome Delegates of YLF 2007.

We hope that you enjoyed your experience thus far. You've arrived and partaken in an Aloha welcome, and met your groups. Not to mention attended the I CAN'T funeral. We hope you learn about the variety of disabilities at YLF and enjoy the rest of your week.

#### Partner Welcome

Dave Mitchell, Rosie Thierer, Ruth Allison, and Jill Avery welcomed students. They represent the three agencies that make the forum possible: Iowa Vocational Rehabilitation Services, Department for the Blind and the Division of Persons with Disabilities, respectively.

Thanks for the support!

Jackie Wipperman of the Client Assistance Program spoke about the history of disability culture and shared a video of Senator Harkin, ADA sponsor, welcoming the 2007 students.

The group names are no longer referred as Group 1 or Group 2. Group 1 is now called Stars of the future.

Group 2 is now called Yippykaiyay's.
